Mikhail Salnikov

Data Scientist

Mikhail Salnikov

+ 7 927 172 30 59
zlat1997@gmail.com
https://www.linkedin.com/in/mihailsalnikov/
GitHub: https://github.com/MihailSalnikov

Technical Skills

Data Science: Deep Learning, Machine Learning, Statistics

Tools: TensorFlow, Keras, PyTorch, Scikit Learn, Pandas, NumPy and SciPy, Spark, Docker, gRPC

Languages: Python, C/C++, Ruby, SQL

Other: OWASP TOP 10, ANTLR

Experience

Wallarm / Data Scientist
March 2018 -

Research and development.

Wallarm / Data Scientist intern
February 2017 - March 2018

Research and development.

Freelance
2014 -February 2017

Ruby on Rails web development.

Education

Mordovian State University

B.S. of Science in Applied Mathematics and Information Technologies
2014 - 2018, Russia, Saransk
